

Michael Matros joins Allweiler AG Executive Board

(Radolfzell) In mid-November 2006 Dr. Michael Matros (41) became a member of the Executive Board of Allweiler AG, and Senior Vice-President and General Manager of parent company Colfax Corporation (Richmond, United States).

Dr. Matros is a certified mechanical engineer. He wrote his dissertation on diagnostic systems for pumps and joined Allweiler AG in 1996 as a research and development engineer. In 2002 he took over as manager of Allweiler's main Radolfzell plant. Since April 1, 2006 he has been responsible for operations at the Radolfzell plant and therefore the entire screw and centrifugal-pump business segment.

Frank Kirchner remains Chief Financial Officer and member of the Executive Board with responsibility for all financial activities.

Founded in 1860, Allweiler AG is the oldest German pump manufacturer and the European market and technology leader for centrifugal, propeller, screw, progressive-cavity, gearwheel, rotary lobe, macerators, and peristaltic pumps. Allweiler AG owns a foundry and produces ready-to-use fuel skids and rinsing-water facilities. Allweiler AG has its main German headquarters in Radolfzell on Lake Constance as well as a major production site in Bottrop, Germany. Since 1998, Allweiler AG has been part of Colfax Corp., a global leader among pump manufacturers.
